ABOUT OUR RESTAURANT

Everything on our menu is 100% plant-based.

We believe food should be delicious, nourishing and kind, to both people *and* animals. Whether you're vegan, vegetarian or simply curious, we hope you leave inspired by how good conscious eating can taste.

ABOUT OUR SANCTUARY

Asher's Farm Sanctuary is a safe haven for rescued farm animals, founded in 2017 in honour of the late Oscar "Asher" Hirsch - a lifelong advocate for compassion and cruelty-free living.

What began as one man's vision is now a sanctuary where animals rescued from neglect and exploitation are given a second chance, to heal, to live freely, and to be treated with kindness.

Every meal you enjoy here directly supports their care - from food and shelter to vital veterinary treatment.

He often took the opportunity to educate others about the benefits of a plant-based diet, famously quoting George Bernard Shaw:

Animals are my friends and I don't eat my friends.

It takes less than a minute to set up, but makes a lasting impact.

2. *Donate Towards Our Veterinary Fund*

Donations to our veterinary fund help us provide essential, life-saving care for rescued animals. Many arrive injured, neglected or in need of urgent treatment, and ongoing medical support is a vital part of their recovery. Your contribution helps cover everything from routine check-ups to emergency procedures, ensuring every animal receives the care, comfort and dignity they deserve. Speak to your waiter about making a donation or visit ashersfarmsanctuary.org.

GROOM A HORSE

Connect with our rescued horses through a gentle, hands-on grooming experience. Spend time brushing, caring for and bonding with these incredible animals while learning their unique rescue stories.

It's a calm, meaningful way to build trust, create special memories, and directly support their ongoing care and wellbeing. Speak to your waiter about booking a grooming session or visit ashersfarmsanctuary.org.
